

TECHNICAL INTAKE TECHNICIAN, CAMBRIDGESHIRE

Are you nuts about nuts and up for a challenge?

Do you have experience within a Technical, QA, Intake or Food Operations role and are seeking a new opportunity?

If so, then we would like to hear from you!

At Humdinger-Foods we take nuts, seeds, fruit and pulses and turn them into delicious snacks for both own label and branded ranges. Over the years we have developed a strong and expanding portfolio of products, built on a reputation for quality and product innovation.

We currently have a new and exciting opportunity for a full time Technical Intake Technician to join our Procurement Team based at our Laboratory at Knowles Transport in Cambridgeshire.

We are seeking a Technical Intake Technician who is be able to complete all aspects of sampling and physical testing whilst meeting KPIs and maintaining standards.

This Technical Intake Technician role is full time working 08:30am -16:30pm weekdays.

THE MAIN DUTIES OF THE TECHNICAL INTAKE TECHNICIAN MAY INCLUDE, BUT ARE NOT LIMITED TO:

- To complete all aspects of sampling and physical testing.
- To undertake physical testing of food products and packaging.
- To receipt external microbiological and chemical test results for food products.
- To maintain hygiene standards and cleanliness across the Technical Intake Office and ensuring equipment is looked after and maintained.
- Ensure compliance through working knowledge of BRC to strive for excellence.

IDEALLY, THE SUCCESSFUL TECHNICAL INTAKE TECHNICIAN WILL HAVE THE FOLLOWING QUALIFICATIONS, SKILLS AND EXPERIENCE:

- To have worked in either Technical/QA, an Intake role or in Food Operations for at least 2 years.
- To be conversant with computer systems and practices.
- Knowledge of Food Safety and H&S within the Food Industry.
- Good communication, organisational and timekeeping skills.
- Good attention to detail.
- Trained to Food Hygiene Level 2.
- Allergen Awareness Training.

BENEFITS OF WORKING AS A TECHNICAL INTAKE TECHNICIAN AT HUMDINGER-FOODS:

By definition, Humdinger means *'a remarkable or outstanding person or thing of its kind'*; we are proud to be a unique business who engages and empowers all of our employees to be the best that they can be. We are committed to supporting your ongoing professional development, to help you thrive within our business.

We are also proud to offer:

- Holiday entitlement above the statutory minimum
- Company paid Health Care Insurance Scheme, including: optical and dental cover, 24/7 virtual GP assistance; counselling and helpline service; discounts at various highstreets stores and much more
- Generous company pension scheme

- Regular staff involvement events such as Wellbeing Weeks
- Continuous support to local charities
- Awards for long service
- Free car parking on site
