

NIGHT HYGIENE OPERATIVE

Humdinger Foods are looking to appoint a Hygiene Operative to join our small and friendly Hygiene team at our factory in Heckington.

This role is full time, working a night shift (22:00 – 06:00) Sunday to Thursday.

The Night Hygiene Operative will be responsible for cleaning the factory to the required hygiene standards within allocated timescales, ensuring that the safety, legality and GMP standards of the production facility are met.

We're looking for a candidate with a good understanding of hygiene requirements within a food factory and experience working within a similar, food production-based role. Ideally, you will have a strong understanding of Health & Safety, COSHH and hygiene chemicals.

If you're self-motivated with a can-do attitude, then we would like to hear from you!

THE MAIN DUTIES OF THE NIGHT HYGIENE OPERATIVE MAY INCLUDE, BUT ARE NOT LIMITED TO:

-
- Ensuring the safety, legality and GMP standards of the production facility
 - Ensuring all hygiene standards are carried out in compliance with issued hygiene schedules

BENEFITS OF WORKING AS A NIGHT HYGIENE OPERATIVE AT HUMDINGER-FOODS:

At Humdinger-Foods we take nuts, seeds, fruit and pulses and turn them into delicious snacks for both own label and branded ranges. Over the years we have developed a strong and expanding portfolio of products, built on a reputation for quality and product innovation.

We are proud to offer:

- Company paid Health Care Insurance Scheme, including: optical and dental cover, 24/7 virtual GP assistance; counselling and helpline service; discounts at various highstreets stores and much more
- Generous company pension scheme
- Cycle to work scheme
- 23 days holiday per year as well as 8 days bank holiday
- Continuous support to local charities
- Employee 'Values' awards
- Awards for long service
- Free car parking on site
